

## 2012 Lamé Delisle Boucard “Dom. des Chesnaies” (Cab Franc)

BOURGUEIL AOC, LOIRE VALLEY, FRANCE

Whether or not you are familiar with the wines of Bourgueil (*an appellation in the Loire Valley, 3 hours drive southwest of Paris*), you have probably tasted at least one good Cabernet Franc. If not, this varietal wine is a must!

The red wines produced in Bourgueil are legally allowed to be supplemented with up to 10% Cabernet Sauvignon, but this wine is made from 100% Cabernet Franc, blended from eight local vineyards.

**This ruby red Cabernet Franc first grabs your attention with its elegant aromas, based in the range of blackcurrant, cherry, blackberry and raspberry. Its fruit will mellow slightly with age but its intense aromas follow through with a hint of herbal spice & fine silky tannins.**

***Recommended pairings:*** Grilled Pork Chop with Gorgonzola Polenta
